

Essay 2 Draft B to C Plan

Before your conference, fill in your self-review below. Submit it on canvas to your Draft B.

Add three questions you want to ask on your paper.

We will talk about your paper together and cover what is good and bad about it. In each section, I will let you know what is missing or what is underdeveloped. I will fill this in as we go and return it later with your grade for draft B. Then, review the notes here and our conference (Make sure to record it), and fill in the “Issue” and “Redrafting Plan” section. Submit later on canvas.
