

Workshop:

# Extensive Reading for a (new) Purpose in Palestine

David Courtney, M.A.

Al-Quds Bard, West Bank

**Extensive Reading Around the World**

5th to 7th August 2022

David  
Courtney,  
M.A.

Al-Quds Bard, West  
Bank, Palestine

# Today, you will need...

# About my setting...

Manger Street, Bethlehem

Olive trees, Makhrou Valley, '22

Goats in Wadi Al-Makhrour, 2022

Agenda: Today, we will share...

1. Our experience with extensive reading (ER) for “non-readers”
2. ER activities for ideas
3. Results and set goals for ER in our settings

*The story...*

$S > R/W$

Opportunity

Self-  
confidence

Better ER  
next year?

Speed read

ER at home?

1

What is “ER?”

Why is ER good for  
“non-readers?”

# In the chat...

- Introduce yourself
- Share why you have used ER  
(or, any challenges of ER)

**2 types of reading:**

**intensive and extensive**

*(Waring, 2017; Grabe & Stoller, 2020)*

# Intensive reading (IR):

- Teacher provides **reading lesson** (*'reading class'*)
- **Texts** slightly above students current level (*"i+1"*)
- **Some** vocabulary must be explicitly taught (*n=6-10*)
- TT supports SS' **background knowledge**

Give pre-reading tasks

Students "cope" with hard texts

# Extensive reading (ER):

Easy  
texts!

- Reading outside of lessons (*not 'reading class'*)
- **Texts are at or below** students' current level (*"i - 1"*)
- Students **know 95%<sup>+</sup>** of vocabulary (*no dictionary needed*)
- Teacher support is **not needed**
- 'Reading for fun': SS **choose** texts (*interests, self-purpose*)
- Text **fluency** is the goal (*finishing text without frustration*)

What are the  
biggest

 **differences** 

between IR & ER?

1

1

Your name

ER for a New Purpose

- - - - -

2

3

1

# What's the difference?

Intensive Reading (**IR**)

Extensive Reading (**ER**)

BOTH

A Venn diagram consisting of two overlapping ovals. The left oval is labeled 'Intensive Reading (IR)' and the right oval is labeled 'Extensive Reading (ER)'. The overlapping area in the center is labeled 'BOTH' in a small white box with a black border.

## **In chat (\*Breakout, if time) (5 min)**

1. Write notes in Venn diagram (1-2 min)

 2. In the chat:

- Introduce yourself and setting
- Share and add to your notes (3 min)

# Share

# ANSWERS:

Intensive Reading (**IR**)

Extensive Reading (**ER**)

BOTH

A Venn diagram consisting of two overlapping circles. The left circle is labeled 'Intensive Reading (IR)' and the right circle is labeled 'Extensive Reading (ER)'. The overlapping area in the center is labeled 'BOTH' in a small white box with a black border.

# ANSWERS:

## Intensive Reading (IR)

- Students practice reading a difficult text during class.
- Text is "i+1."
- Later, skills quiz

BOTH

Build  
-vocab size  
-fluency  
-stamina  
-main idea comprehension  
- critical Th.

## Extensive Reading (ER)

- Students choose to read easy texts for fun (not in class).
- Text is "i-1".
- Not quizzed
- SS can track progress  
*(speed, number of texts, Lexile)*

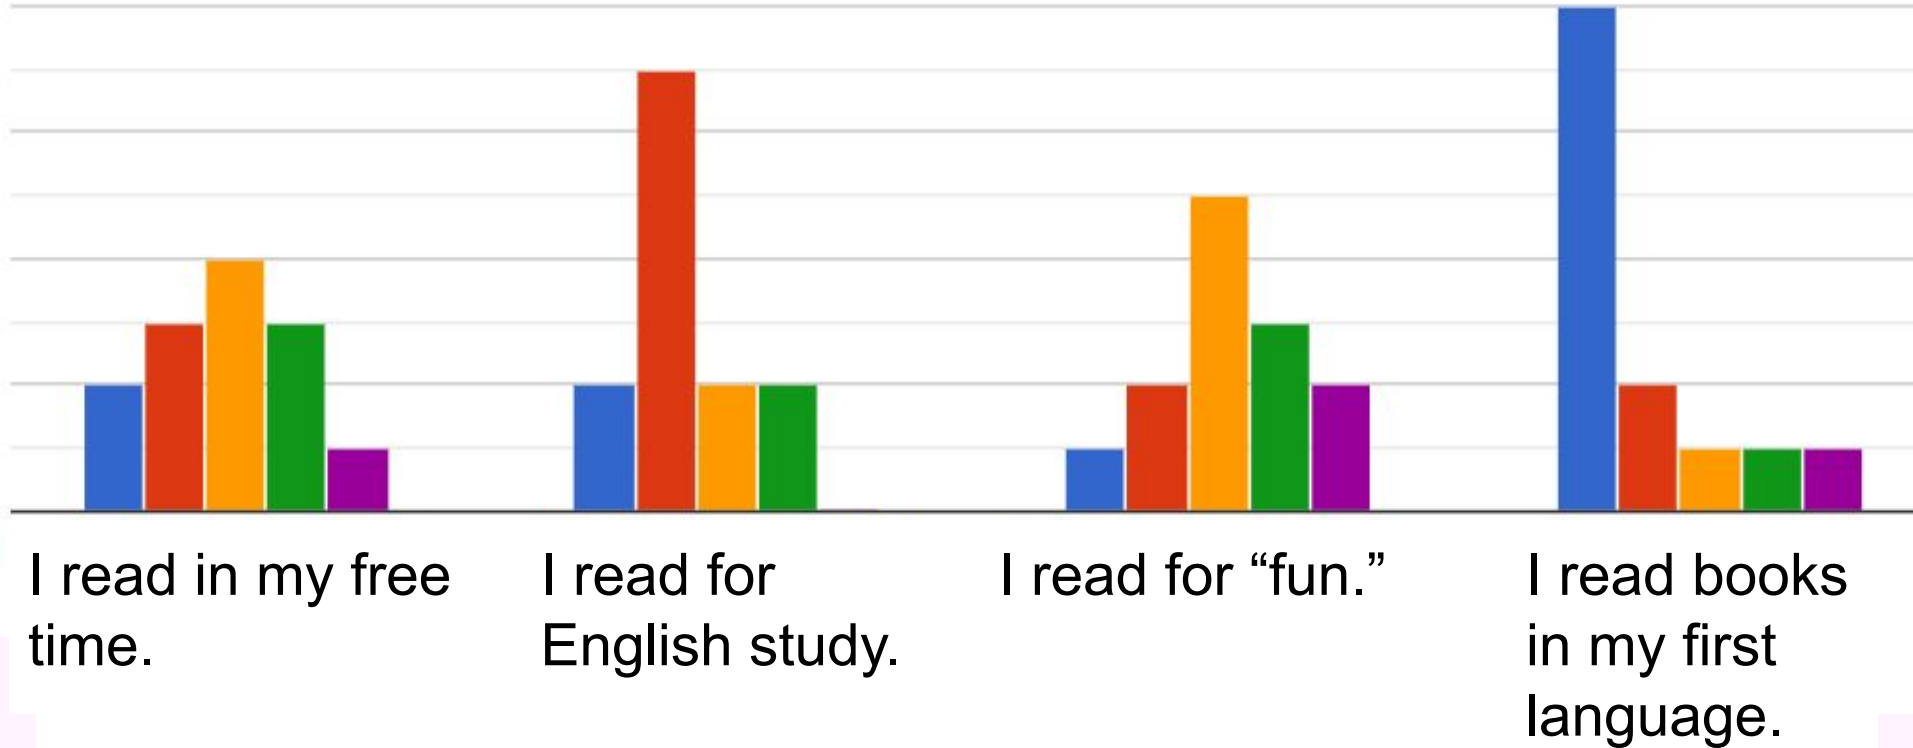

Why is ER a  
good idea?

# Why extensive reading?

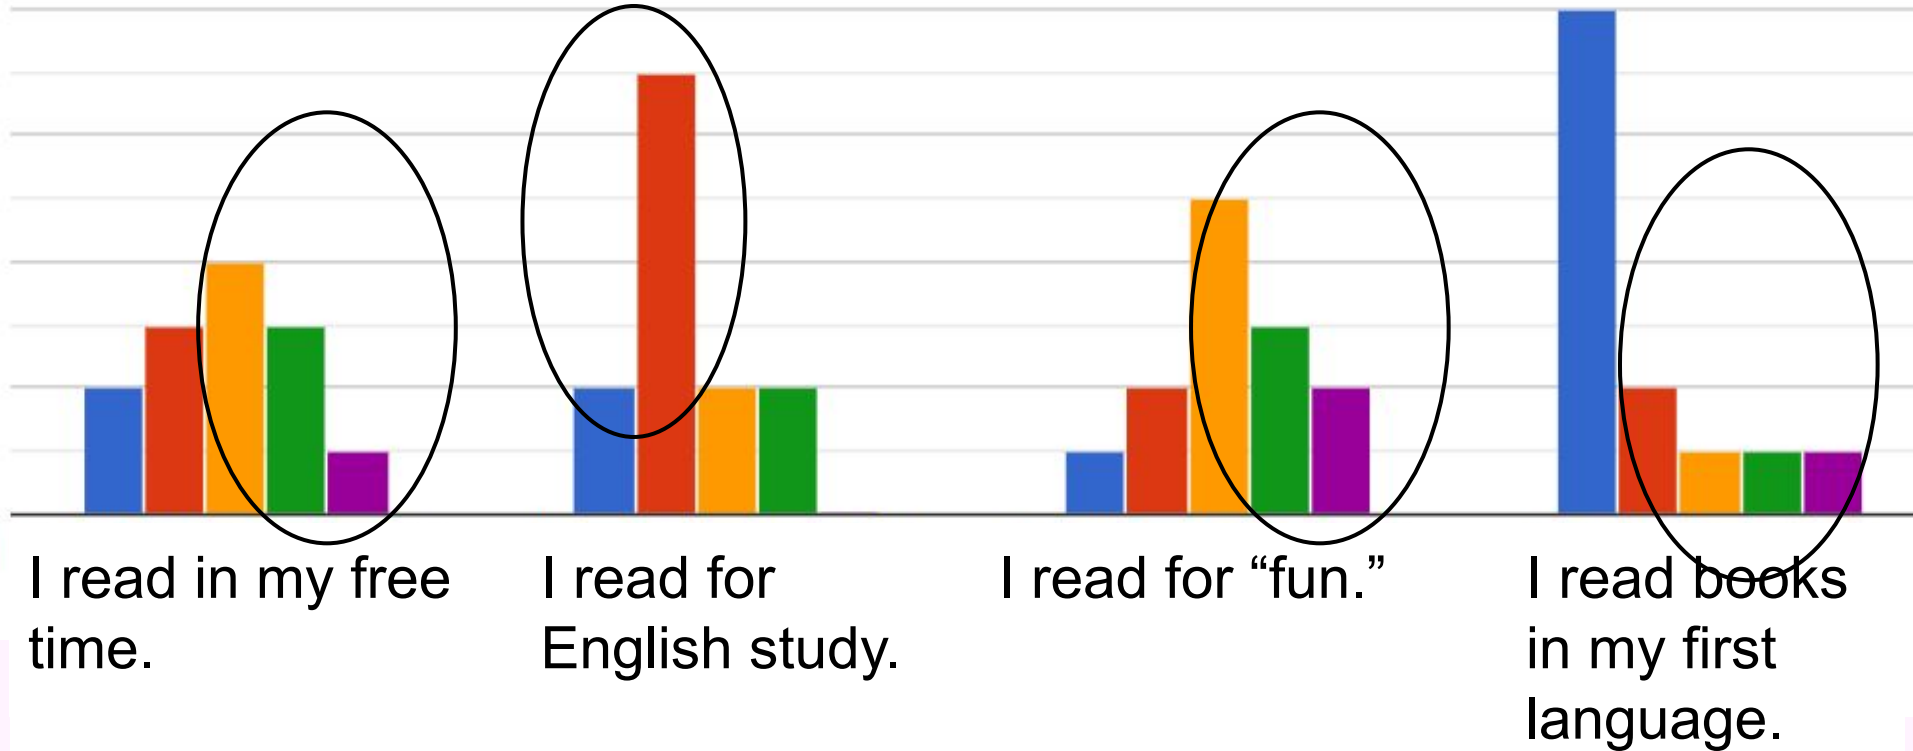

# Not all of my students are “readers.”

■ I strongly agree.   ■ I agree.   ■ I don't know.   ■ I disagree.   ■ I strongly disagree.

# Not all of my students are “readers”

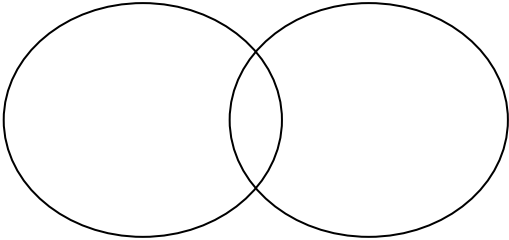

■ I strongly agree.   ■ I agree.   ■ I don't know.   ■ I disagree.   ■ I strongly disagree.

What are some  
benefits of ER  
for non-readers?

**Write on your  
paper, or share  
in the chat!**

# What are the benefits of ER?

?

?

?

?

?

?

?

# (Some) Answers: Benefits of ER

## **Personalized:**

language instruction can include students' interests

**Attitude:** students can develop more positive views about reading

**Learner autonomy:** students choose texts for enjoyment and own goals as a self-directed routine; reduces teacher dependency

## **Strategic:**

it can include self-study techniques

## **Vocabulary:**

more exposure to high-frequency words frees up space for new academic words

## **Motivation:**

students can finish texts, level up, and speed up

Choosing a new book:

“Book Pass”

*(Students turn in a paper...)*

# *Book pass!*

Name

New book!

1.

# Activity: Book pass!

Choose 3-4 books.

Skim the cover, the back, and captions.

Read the first page.

Write in the **table**.

Repeat for 3 more books.

Share which book and why with your group.

Name \_\_\_\_\_

# Reading **Table**

1.

Book				
1				
2				
3				

# Write in the table:

Title	Author	How many times do I need a dictionary for the first page?	I like...	I will / won't read it because...

## Suggestions

1. Choose a book topic/title for your "level."
2. Look at the front/back covers, pictures, & length.
3. Read page 1. *Keep reading if you like the book and can read without a dictionary (if not, go -1 level)*
4. If you don't like the book, trade with somebody!
5. Each week (Day 2) a writing is due.
6. Take your time. Try to finish a book in 1-2 weeks.

*Keep the book until you finish it!*

**“Check-out” the  
book.**

# “Check-out” the book.

## Check out your first book!

(Keep this near the ER Library)

Week 1

3

Three empty rectangular boxes for writing, with a dashed line below them.

2

Which 1-2 activities could you adapt in your setting?

What other ways have you done ER successfully?

Share!

3

What are results from ER, and what goals can you set?

*(What data helped me get ER funding?)*

# I was looking for:

1. Independent R level (*'i-1'*)  $\uparrow \rightarrow B2^+$
2. What matters when choosing a book (for students)
3. Evidence of  $\uparrow$  R speed
4.  $\uparrow$  R motivation (pre, post, weekly)
5. Awareness ER had a  $^+$  impact

1. How much did  
reading **level**  
change?

From Feb-June,  
students chose texts  
at their independent  
reading level.

# February, 2022 (Oxford Bookworms)

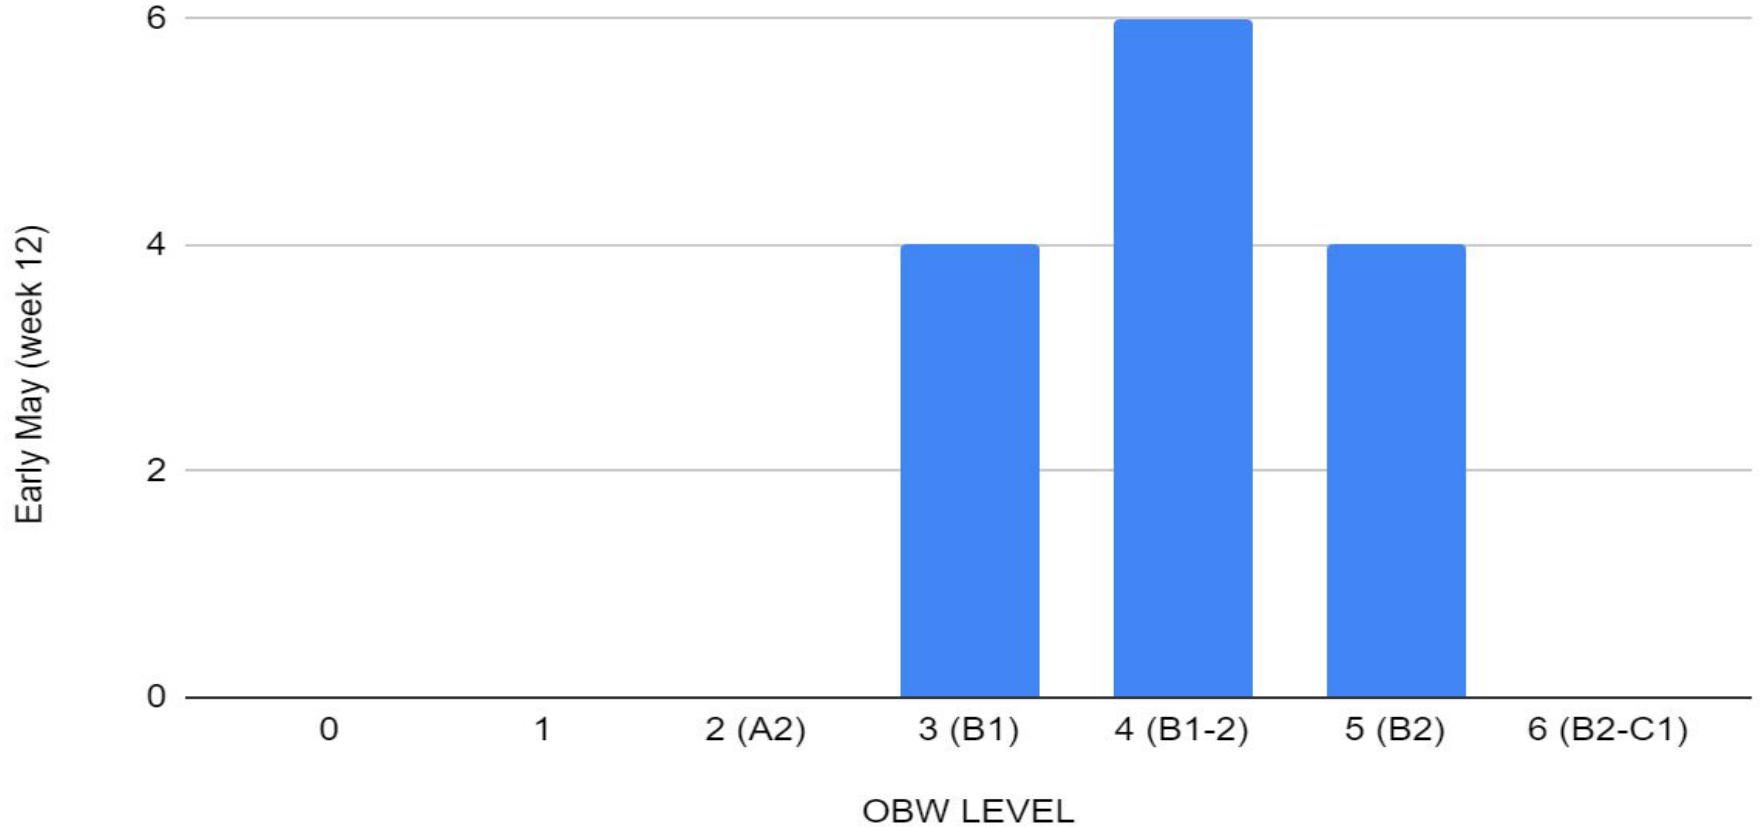

# March, 2022 (Oxford Bookworms)

# April, 2022 (Oxford Bookworms)

# May, 2022 (Oxford Bookworms)

4 (B1-2)

5 (B2)

6 (B2-C1)

OBW LEVEL

Framing 'easy  
*R level*' for **low**  
students...

# A lower student:

“I am frustrated. I tried level 3. I need to use a dictionary too much. I need to read higher level texts than this for university next year. I need to start higher or I won't reach this goal.”

Teacher

says:

“Start at level 1, it’s okay. You need to ‘see’ vocab over and over, think about the story, keep your attention (focus), and you will feel good because you finish the book. Read 1-2 books at level 1 and then move up to the next level. You have to start ‘low’ to reach a higher level.”

Students managed to “climb” levels by trusting the process.

2. What matters  
when you  
choose a text?

# What matters when you choose a text?

---

 the topic is interesting

---

 the level is easy

---

 I have enough time

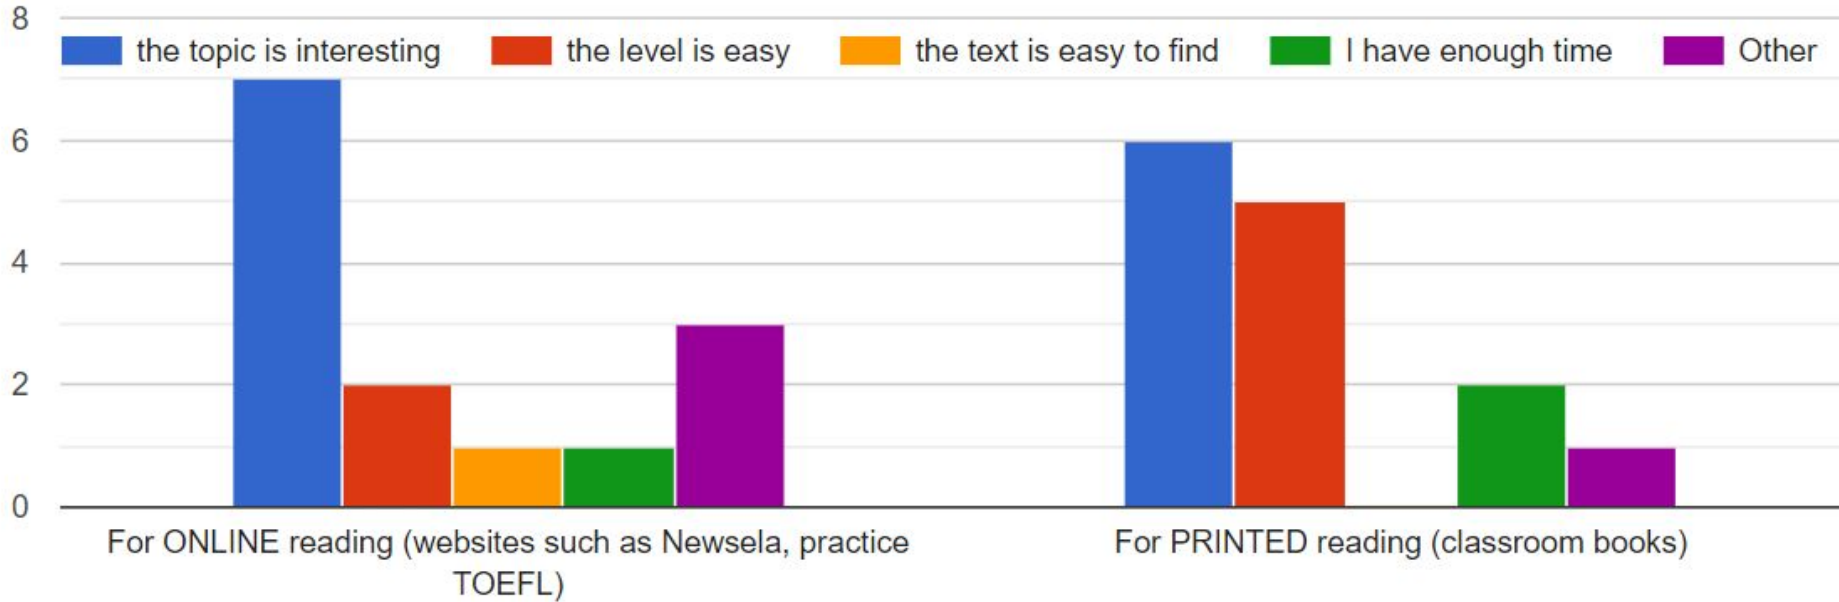

---

 the text is easy to find

---

 Other

# What matters when you choose a text? (week 14)

# *What matters when you choose a book? (w 3-14)*

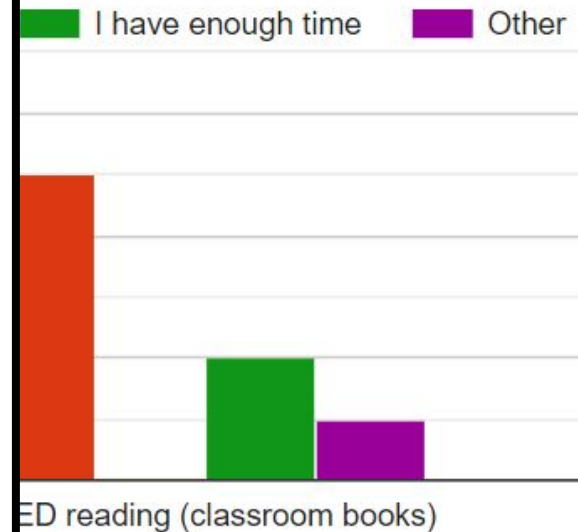

# *What matters when choosing a text...?*

Students say their most common reasons for choosing a text were:

- 1. Interesting topic**
- 2. Easy level**
3. Easy to find

“Having enough time” was an issue for 3-4 students, so we changed the routine for some in-class ER time.

# Problem: Time

- *Speed reading OK*

*(students' home lives)*

Did you read any online or printed "leveled texts" last week?  
(e.g., Newsela, News in Levels, printed books, etc.)

100

In week 9, more students said they "didn't have time" outside of class (*Ramadan, etc.*)

Students liked speed R during class (*2-3 texts, twice a week*)

For 2 labs a week, we added a 30-45 min routine:

1. Speed reading (10 min)
2. ER silent reading time (20 min)
3. Written response, "activities," and sharing (10-15 min)

Teachers can make adjustments to make sure ER meets students' needs.

3. What about

**speed**

reading?

Amro does speed reading. The class wanted to read a faster time each day.

# *Time, % correct on MCQ*

500 level

1,000 level

2,000 level

## THE OLD MAN WAITS AT THE POST OFFICE

The old man waits at the post office. The line is long, and there are many people waiting. The people are in a hurry. They look at their watches. They look at their phones. The old man is not in a hurry. He is thinking about what he is going to give his son. The old man's son lives in New York City. The old man wants to see his son, so he is sending him a plane ticket in the mail. The ticket will bring the son back to the town in Oregon where the old man lives. The old man thinks about how happy he will be to see his son again. He thinks about the things that he and his son will do together. They will take long walks in the town and beside the river. They will ride the train across the new bicycle bridge. The man will make his son a delicious dinner. When the old man and his son are eating dinner, the old man will tell his son how nice it is to have him home and how much he misses him. The old man smiles thinking about all these things while he waits in line at the post office.

2:40							
2:50							
3:00							
Score	#	#	#	#	#	#	#

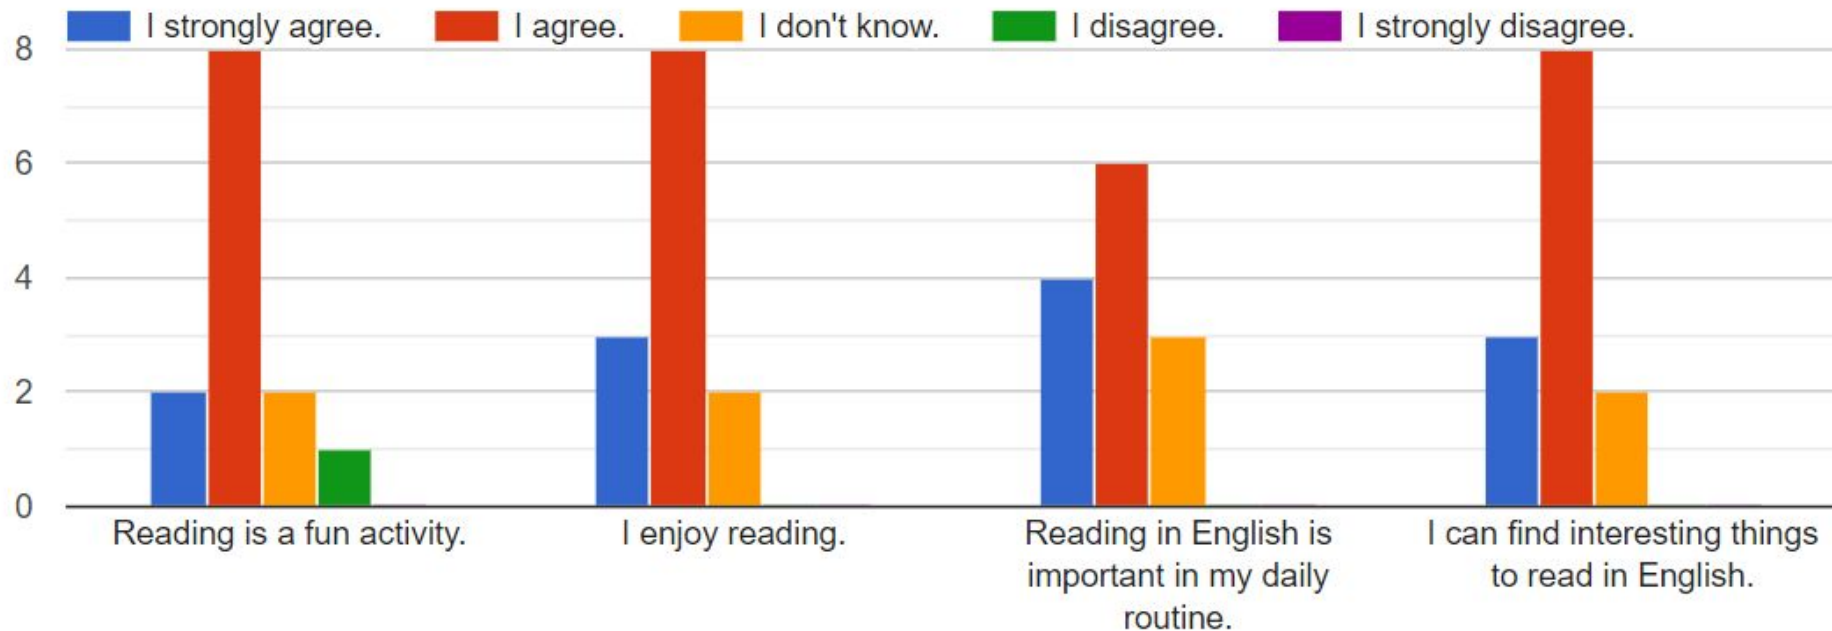

By week 14, all students started the 2,000 level

Students were motivated because they could beat their previous score, time, and keep track of their progress on their own.

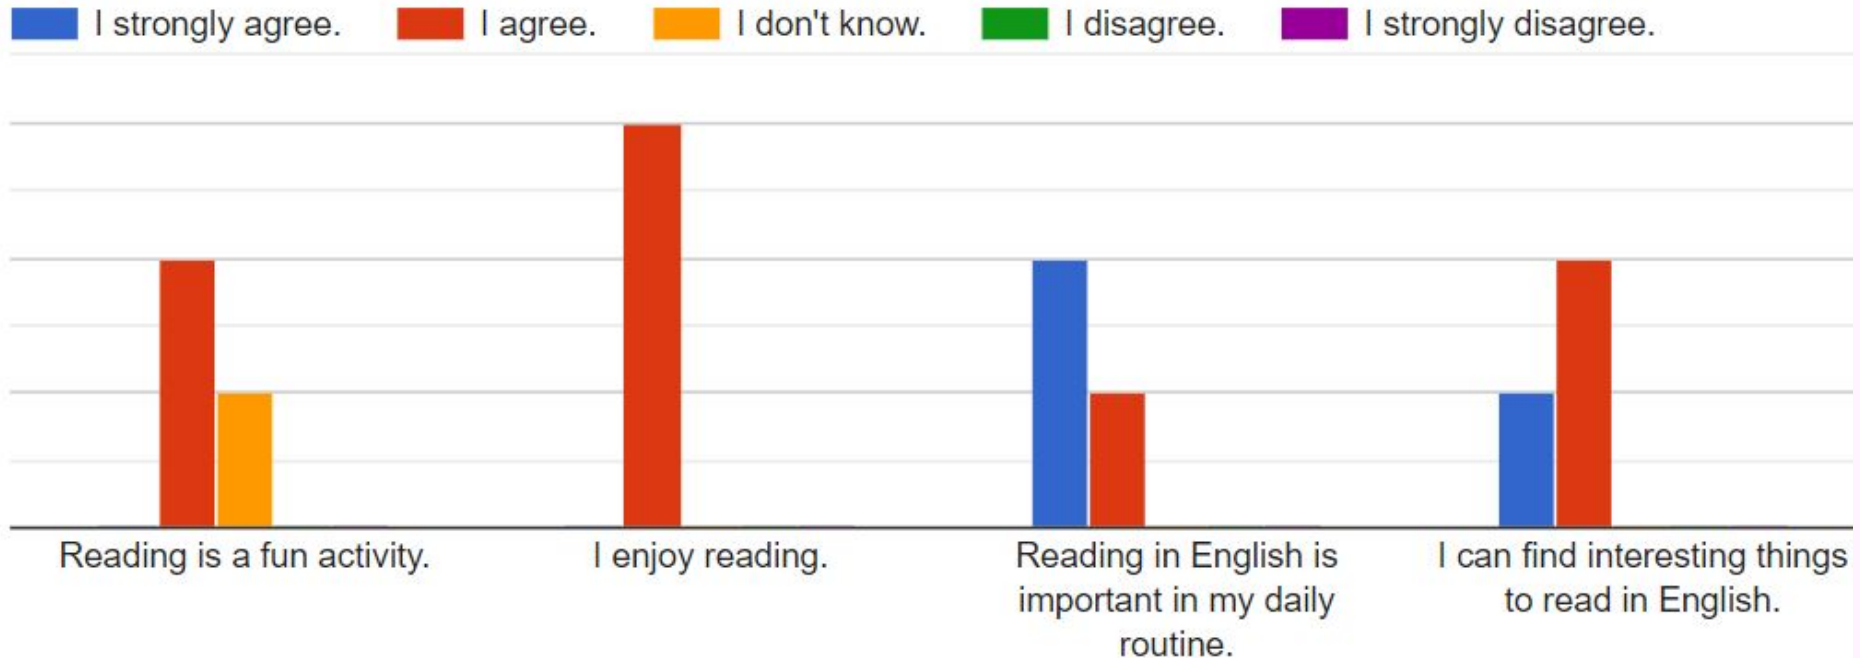

**4. What did Pre-/Post-ER surveys say about motivation?**

*(habits, effort, & attitude).*

# Pre-survey (week 1, n=14)

# Post-survey (week 14, n=3)

# Summary:

1. Zero “disagree” responses for “Reading is fun”
2. All respondents can find something interesting to read in English

*\*small sample for post-survey (n=3)*

4. Students'

**motivation** remained

high throughout the

semester.

# How do you like the reading books (classroom library)?

14 responses

Week  
14

- I'm excited.
- I feel good about it.
- I feel okay about it.
- I don't like it.
- I don't want to.

# How do you feel about reading printed book from the ER library?

## How do you feel about reading printed book from the ER library?

Throughout the semester, most students were “excited” or “felt good” about using the ER library.

5.

Awareness...

(before / after)

# What are your **weaknesses** with reading? (week 1)

I cant read a lot of papers

My weakness is the lack in the vocab.

Sometimes I don't understand some of words

Sometimes I don't know some words , if the reading was difficult

some words could make me confused with understanding the text

Reading very slowly and explaining every event deeply, so it takes time to finish reading.

What are your **weaknesses** with reading? (week 14)

High GPA	I got distracted easily
Mid GPA	Forgetting some ideas and getting stuck when I see new vocab
Low GPA	I don't know enough vocabulary, so I always need a dictionary

# What goals do you have for reading? (week 1)

My goals get better in english

to learn English and to get a new knowledge( not just for fun )

I want to read more and use tested strategies to improve it.

To understand the text even if there are a lot of new vocabs.

·grammer

# Did you meet your **goals** in reading? Which?

High GPA	yes, my goal was to read more than 5 books in English and I did it
Mid GPA	This semester, I've met my aims that are reading fluently with understanding written words to benefit.
Low GPA	Yes, now, I can read a long story in level 4 with need dictionary

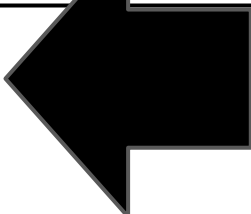

How do you think  
**ER** helped your  
reading skills?

# How do you think **extensive reading** helped your overall reading skills?

High GPA	I became able to read for a longer time and possessed the skill of speed reading and became able to understand deep meanings
Mid GPA	To generalize, extensive reading helped me a lot to read more and learn many words. Utilization of words was the most important.
Low GPA	For me, I think that's help me allot

# Why is it important to “**read for fun**” as an English learner?

High GPA	To improve my writing skill
Mid GPA	As a learner, reading for fun will probably help me build a lot of vocabs and be well-qualified to read longer scientific or any harder texts in the 1st year in Univ.
Low GPA	Because it helps to improve general reading

Able to read  
longer (stamina)

Learn  
new  
words  
(vocab)

Understand  
deeper meanings

Students' **interests**  
are very important.

Build confidence

Build habit  
of reading  
without a  
dictionary

Build  
writing  
skills

Choose  
higher  
level  
texts

Enjoy  
reading  
more

## Limitations:

1. Sample size varied some weeks; small sample for post-survey
2. Students had lower attendance in spring (e.g., absent for a Lab)

# Evidence suggests:

1.  ↑ independent (i-1) R level → B2<sup>+</sup>
2.  “**topic,**” “**easy level**” are top reasons to choose a text
3.  ↑ R speed with level increasing
4.  ↑ R motivation (enjoyed R)
5.  Students have awareness ER had a <sup>+</sup> impact

## **\*TEACHERS SHOULD CHECK-IN OFTEN:**

ER should fit students' needs (attendance, homelife, equity, access)

# Text Levels:

We needed more **funding** to expand the ER Library to give access for all EFL division students...

I shared this data with  
other stakeholders to  
propose **expanding**  
the ER library, and...

# ... It was approved!

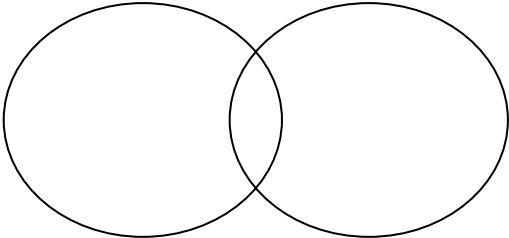

3

Your name ER for a New Purpose

1

2

3

Three empty rectangular boxes are positioned below the Venn diagram, with a dashed line underneath them.

3

**Think back (predict).**

What data would persuade other stakeholders in your setting to support ER?

# Share!

What questions do  
you have about the  
session or ER?

**Feedback!**

# How was the session?

I liked it. It met my expectations.

I loved it.

It was fun!

I need to think about how to use it more...

# In the chat...

What **two** adjustments were needed in my setting?

A. Using some class time for ER because of students' busy homelives

B. Giving reading quizzes for all ER books

C. Reminding students to “start low” for the process to work

D. Doing ER every day during classes

# Answers...

A. Using some class time for ER because of students' busy homelives

B. Giving reading quizzes for all ER books

C. Reminding students to “start low” for the process to work

D. Doing ER every day during classes

# Answers...

A. Using some class time for ER because of students' busy homelives

C. Reminding students to “start low” for the process to work

~~B. Giving reading quizzes for all ER books~~

~~D. Doing ER every day during classes~~

## In the chat...

For successful ER, why is it important for teachers to check-in with students often?

Share

# In the chat...

What are 1-2 ideas that you can use in your class?

Share

Today, did we...?

✓ Share our experience with extensive reading (ER) for “non-readers?”

✓ Show 3 fluency-first activities?

✓ Share results and set goals for ER in our settings?
