Design Thinking - Online Resources

[Gift Giving Empathetic Interviews \(English & Japanese\)](#)

This is a great activity to practice empathetic interviewing and also to have a brief run through the design thinking process.

[Miro](#)

Miro has created a lot of the DT tools and workflow online. You can use these for online teaching or for hybrid collaborations. There is a [free account for educators](#) with up to 100 team members. Great tools, worth checking out for any online work.

DT Books

[The Design Thinking Toolbox](#)

A Guide to Mastering the Most Popular and Valuable Innovation Methods. This has lots of detailed information about the process and activities. Lots of helpful hints from experts and teachers. Pretty pictures too. By Michael Lewrick, Patrick Link, Larry Leifer · 2020

[Gamestorming](#)

A Playbook for Innovators, Rulebreakers, and Changemakers. This is more business oriented. Has a great introduction to the creative process and activities for developing innovation in teams. By Dave Gray, Sunni Brown, James Macanufo · 2010

Human Centered Design (HCD) - Online Resources

HCD is a mindset that aims to bring about social equity. It uses design thinking approaches to develop solutions that support the long-term needs of local communities.

[Free HCD Course](#)

This is a free HCD course. You can experience the design thinking process by creating your own HCD project team and conducting a real project. If you can spare the time, it's really rewarding.

[IDEO Toolkit](#)

This is a set of free resources to learn more about Human Centered Design. The [field guide](#) is an extensive introduction you can download in PDF format.
